ODS, the premier full-text web resource for official United Nations documentation, is available to the general public as of 31 December 2004. The ODS covers all types of official United Nations documentation originating from duty stations worldwide. Comprehensive coverage starts in 1993. The ODS also provides access to the resolutions of the General Assembly, Security Council, Economic and Social Council and the Trusteeship Council from 1946 onwards.

ReliefWeb – redesigned website

<http://www.reliefweb.int/>

>>ReliefWeb is the world's leading online gateway to information (documents and maps) on humanitarian emergencies and disasters. An independent vehicle of information, designed specifically to assist the international humanitarian community in effective delivery of emergency assistance, it provides timely, reliable and relevant information as events unfold, while emphasizing the coverage of "forgotten emergencies" at the same time.<<
